## TEESSIDE CARAVANS PRESENTS THE LIMITED EDITION 'CONTINENTAL' CARAVAN

For decades the Swift Group has been at the forefront of caravan manufacture and design. Teesside Caravans have partnered with the Swift Group to present a stunning SPECIAL EDITION. Selecting the best from their existing ranges and refining them to provide you with the best facilities at outstanding value for money.

In addition to the already high specification the Swift Continental comes with an impressive list of upgraded features, including exclusive soft furnishings, key fob alarm and awning light control, unique design features, four sided blinds to all windows, 100W solar panel; ATC and much, much more.

The Swift Continental celebrates everything that is excellent about Swift caravans whilst providing you with additional luxuries and additional technologies to ensure you can enjoy many happy years of holidays.

The range offers 10 different internal options including 3 of the extensive 8ft wide alternatives.

Developed to include the Swift Group SMART intelligent construction system, the Continental provides comfort, stylish surroundings, with up to date spec for outstanding value in weights that can be towed by most family cars.
